SI.OG PER YEAR

An Act of Perfidious Ingratitude

In the Carlsbad Current of July 31, there appeared statement, purported to have been signed by the instigators of the nomination of Wm. T. Mutkins for the legislature

The names of two prominent men, of Knowles were attached to the statement. There were, so far as facts can be accertained, two misstatements in the article. The hest was that the reason for Matkins' nomination was the fact that the Hon. R. F. Love of Lovington, had sought, by aid and connivance of his friends and "a certain paper", (meaning, perhaps: the Lovington Leader,) to lay claim to having been endorsed by the entire Plains citizenship. This statement is whelly false. Mr. Love was endorsed by a non-polirical citizen's caucus, at Lovington, This is all that was claimed. An attendant at the meeting stood up in the school house at Eunice and proposed, in the meeting which was held to nominate Matkins, to make outh then and there lbs. stock beet seed from Roswell to the falmty of the report that anyone claimed any more than an endursement by the citizens of Lovington.

This citizen's capcus was called by the citizens of Lov- 10 lbs. beet seed. ington for the reason that Mr. Love declined to run. In- 4th, , \$2.50 mdsc. 5 lbs. beet seed. dividuals apoke to him. Friends advised with him. But all \$3,00 in mdse. from Lovington to so svail. Mr. Love steadily declined, and was active in Dry Goods & Gro Co. his efforts to secure the candidacy of another, begging his 2nd, best friends to excess himself, and always offering \$50 00 toward 2nd. the campaign fund of any good plains man whom the citizens Best half dozen onions might select. Believing Mr. Love to be the one man who 2nd. could be most useful in the legislature, and the strongest Roswell Seed Co. man on the Plains, (and this is still believed), a non-political 2nd, meeting of citizens, of Loving.on, was called, and Mr. Love was endorsed without a dissenting vote. This, it was thought, Best assortment of beans, 5 would induce Mr. Love to run, and it did.

The reasons why Mr. Love was desirable material was his splendid record in the legislature. He formed acquaint- also 5 lbs. beet seed from Rosances there, won the friendship of such big dailies as the well Seed Co. isanta Fe New Mexican, and now has, and perhaps always will Best plate of tomators, 10 lbs. The statement referred to in the Current said Mr. Love from Roswell Seed Co. worked for Lovington only. May as well say Gov. McDonald 2nd. worked for McDonald only. This statement, however, had cantaloupe, reference, perhaps, to our new county proposition. If so the Best Pumpkins, 5 lbs. beet seed statement is untrue. Mr. Love told the people of Eunice that from Roswell Seed Co. he first introduced the hill covering 'their country, but he 2nd. onld not succeed.

He then introduced the bill now konwn as the Love bill. 2nd. and it passed the House. Mr. Love also told the people of Sest three sweet potatoes, Eunice to back up their desires by a petition to him, and he 2nd. would introduce the county bill as they wished, that is, includ- Best half dozen ears ing them in the new county. On this many individuals varitey, promised to support Mr. Love, and not only that, but to vote Seed Co. 10r Lovington for the county seat. One citizen arose in the 2nd, meeting at Eunice and declared, in perfect candor, that Love Best half doz cars of pop corn .50 had certainly made forty to sixty votes by coming down there 2nd, The general sentiment of the meeting seemed to be that they Best half doz. heads Feterita. had accomplished their end, viz, secured a pledge that they Best half dozen heads Maize. , hould be included in this bill, and that a new nomination 2nd, was unneccessary. Mr. Love took them at their word—(and Best half dezen heads Cane, rome of them are going to stand by it)-and returned home 2nd, seeling secure, and that he had performed his honest duty to. The meeting was seemingly ready to adjourn when Mr. Love started boine. After this hell broke loose again; a few 2nd, core heads began to throw fits, and Wm. T. Now the statement refered to in the Current does not rebute all this history. It simply states two things, both of which are untres viz-that Love claimed the endorsement of Gallatin the entire Plaine people, and that he worked for Lovington 2nd.

lust after the above lines were put in type a phone message from R. F. Love, at knowles, to the Leader stated that he ove, had a signed statement by John Emerson to the effect that he, Emerson, had not signed his name to the above mentioned statement, nor did he authorize it to be used that way.

W.G. Woerner stated to P. S. Eaves in Carlsbad, that he, Woerner, had not signed the statement, nor authorized his name be used that way.
